

Alico Road – Lane Closures at the Railroad Crossing

FORT MYERS, FL (JULY 30, 2009) – Seminole Gulf Railroad will be performing major rehabilitation of the railway crossing on Alico Road beginning the morning of Monday, August 3, 2009. The roadway will be reduced to **one lane** in each direction for approximately 4 weeks approaching the railroad crossing. The anticipated completion date is Monday, August 31, 2009. Motorists traveling between I-75 and US 41 are advised to avoid this area and seek alternative routes during the construction period, as the reduced roadway lanes will produce traffic congestion and longer than expected travel times.

If you have any questions, please contact Michael Tisch at (239)533-8110.
