Astronomy for Amateurs

Time: 7:00 p.m.

Friday, February 24

Registration is required. This program is designed to show beginning astronomers how to easily find stars, constellations and planets. Bring binoculars, water, bug spray, a flashlight and a lawn chair or something to sit on. We will meet in the parking lot. This program is free with paid parking but may be cancelled due to inclement weather, clouds, or if the minimum of 6 participants is not met. For more information please call Kelly at 822 – 5212. Register online at <https://www.leeparks.org> or by calling Kelly at (239) 822 - 5212.

Hickey's Creek Mitigation Park, located at 17980 Palm Beach Boulevard, is one of the largest Regional Parks in Lee County encompassing 862 acres. This wildlife preserve, co-managed with the [Florida Wildlife Conservation Commission](#), consists of a variety of habitats including palmetto-oak scrub, pine flatwoods and seasonal wetlands. Views of scenic Hickey's Creek can be enjoyed from trails and overlook areas. The park is home to threatened Florida scrub-jays and gopher tortoises. Park amenities include parking, restrooms, a canoe/kayak landing, a fishing pier, 2 picnic areas with 8 picnic tables, 2 bridges across Hickey's Creek, 2 trail shelters and 5 miles of hiking trails. There is a handicap accessible trail to Hickey's Creek and to the amphitheater. The park is open 7AM to 6PM Daily. The parking is free for those with a valid Lee County parking pass. Those who do not have a pass are required to pay \$1.00 per hour or \$5.00 per day. Please bring exact change.
