

LEE COUNTY EMERGENCY MEDICAL SERVICES EMPLOYEES EARN CREDENTIALS

Ft. Myers, Fla.- Lee County Emergency Medical Services added two new paramedics and one new EMT to its division this month through successful completion of the agency's field training program.

The newly credentialed paramedics are:

- Kelli Wilson, Lehigh Acres
- Tim Waters, North Port

The newly credentialed EMT is:

- Robert Willaford, Cape Coral

Each paramedic and EMT that Lee County hires or promotes is required to participate in a two week orientation and complete a field training program. Upon completion of the field training program, employees are required to pass a test before an internal credentialing board which includes the EMS medical director.
