

SUMMERLIN ROAD/COLLEGE PARKWAY INTERSECTION CLOSURES NEXT TWO NIGHTS

FORT MYERS, FL (July 12, 2010) – As a follow-up to previous releases on this subject, the next overnight intersection closures to set the bridge beams at the Summerlin Road/College Parkway intersection are tentatively planned for tonight, Monday, July 12, 2010 and tomorrow night, Tuesday, July 13, 2010 (weather permitting). An additional night of closure, on Wednesday, July 14, 2010, is possible to complete the installation of bracing cross beams, if those are not completed Tuesday night. The closures will be from 7:00 p.m. to 6:00 a.m. The intersection will be closed to all through traffic and left turns, with only limited right turns allowed while the work to set the overhead beams is underway. **MOTORISTS SHOULD SEEK ALTERNATE ROUTES.**

If you have any questions, please contact LCDOT Project Manager Sarah Clarke at 533-8718, or LCDOT Construction Manager Randy Cerchie at 533-8573.
