

**Lee County NPDES**  
**Annual Report Committee Meeting**  
**Agenda**  
May 20, 2010  
**This month...**

- **Reports, comments and or suggestions:**

**City of Fort Myers-** *Checking out new Stormdrain marking products, not sure about their longevity versus maintenance. Continue to be busy with projects.*

**City of Bonita Springs-***Maintaining and cleaning Rosemary Canal, some turbidity potential, looking to implement BMPs to reduce impact.*

**City of Cape Coral-** *Continue to inspect and maintain catch basins.*

**City of Sanibel-** *System looks good, getting records accumulated for annual report.*

**Town of Fort Myers Beach-** *N/A*

**East County Water Control-** *N/A*

**FDOT-** *N/A*

**San Carlos Estates WCD-** *Stillwell canal work completed. The slope has been completed to spec.*

**CDDs-** *Question concerning CDDs reporting inlets on roads which are maintained by HOAs. Suggested getting an ILA defining the maintenance of such items. Whether or not the inlets are maintained is the responsibility of the managing authority...not the CDD.*

- **Items of Interest:**

The “Responsibilities” Matrix is available to input your specific responsibilities and indicate tasks performed by other governmental agencies under interlocal agreements. There is a version available which can be tailored for your individual use. Please note: the Matrix contains three worksheets with responsibilities, City of Fort Myers, City of Bonita Springs and the third sheet relates to everyone else. In this way, the multiple relationship co-permittees within those two cities are separated from those with only Lee County as the shared entity. This will hopefully reduce confusion.

Pending Water Use changes and Water Quality (Numeric Nutrient) Standards will work in concert with current and future TMDLs and their associated BMAPs. It is imperative each co-permittee follow changes in these critical rules.

- Next Meeting...June 17, 2010 to be **hosted by the City of Fort Myers (meet at Sonny’s on Palm Beach Blvd. 11:30 lunch on your own, we will leave at 12:30 PM)**

- **Only a Notice of Cancellation will be sent.**
