Minimum Insurance Requirements

No person shall operate a business covered under this Ordinance unless covered by a comprehensive general liability insurance policy insuring the public against bodily injury or property damage resulting from or incidental to the operation or uses of a vehicle for hire.

At a minimum, all certificate holders operating taxicabs shall have in full force and effect motor vehicle liability insurance for each taxicab owned by, leased to or otherwise controlled by operating company equal or greater than \$100,000 for bodily injury to any one person, \$300,000 for injuries to more than one person which are sustained in the same accident, and \$100,000 for property damage sustained in one accident.

All certificate holders operating a charter service vehicle shall have in full force and effect motor vehicle liability insurance for each charter service vehicle equal to or greater than \$100,000 for bodily injury to any one person, \$300,000 for injuries to more than one person which are sustained in the same accident, and in the amount of \$100,000 for property damage sustained in one accident. Said insurance shall inure to the benefit of any person who shall be injured or killed, or who shall sustain damage to property proximately caused by the negligence of the certificate holder, all drivers, his masters, servants and agents. Nothing in this section shall be construed to waive applicable state or federal laws, if any, which require a higher amount of minimum insurance.

Evidence of said coverage is subject to acceptance and approval by Lee County Risk Management prior to issuance of this certificate. Failure to provide such proof shall render the certificate null and void, and of no further use and effect.

Important: Please name **The Lee County Board of County Commissioners** as certificate holder on your liability insurance certificate.
