

CRSA MEETING NOTES

1/28/10 3:00 p.m.

Miromar Executive Office

Present:

Committee: Jim Boesch, Jim Kurtz, Maddie Isaacs , Mike Maloney, Mike Elgin,

Lee County: Sarah Clark, Libby Walker.

Others: Ray Gonzales

* Review of Financial Status – no comments

* Discussion of Safety Improvements: Sarah stated that plans were not ready and would be available in a day or two. Sarah further explained the plan – three lanes to WC, medians, turn lanes. Discussion about the plans not being completed until we had a CM who would then prepare plans based on what could be achieved with available funds.

* Discussion by members about not having plans and specifically about they had anticipated improvements to go to Belle Terra, with medians and turn lanes, but no third lane.

* Committee motioned to not support the improvements until they saw a plan and that the priority should be improvements to Bella Terra, before any third lane.

Meeting Adjourned.
