

TRIU BUDGET MINUTES

By Alex Lambros

The TRIU meeting was called to order at 5:15 pm on April 7, 2011.

Directors present: Alex Lambros, John Trapanese, and Tony Pocklington.  
Lee County MSTBU Coordinator: Donna DeBerry.

Alex Lambros was elected chairman. John Trapanese was elected Co-chairman.

The TRIU Board of Directors and Donna DeBerry, the Lee County MSTBU Coordinator, finalized the 2011/2012 budget.

The board unanimously voted to reduce the budget from \$98,797 to \$89,810 on collections of \$28,584. Based on today's lower property values, this generates a millage of .2080. This represents a reduction from last year's millage.

Other items discussed for the upcoming year included additional landscaping at the entrances, replacing the palm tree on Clarendon Dr., installing the entrance sign on the south side of N. Town & River Dr. and identifying our canals as no wake zones.

The meeting was adjourned at 6:05 pm.
