

**TOWN & RIVER
TRIU COMMITTEE MEETING
THURSDAY, SEPTEMBER 8, 2011
MINUTES**

DRAFT

Call To Order:

The meeting was called to order at 5:30pm in a private room at Cypress Lake United Methodist Church.

Present:

Committee Members present included Alex Lambros, Bob Pease, and Tony Pocklington
MSTBU Coordinator: Lori Borman

Minutes of Previous Meeting: Accepted by motion.

Discussions:

• **Seawalls**

- Tony informed the Committee of numerous common area seawall washouts that need repair. Alex volunteered to meet a Honc Marine Contracting representative to identify and evaluate the affected seawalls and obtain a quote that he will present at the November meeting for approval.

• **Landscaping & Irrigation**

- Alex reported that the dead palm tree on Clarellen Dr. has been replaced and a dwarf royal palm has been planted at the main entrance median.
- Foliage around entrance signs need trimming.
- Tony recommended continued enhancements to the landscaping at the main T&R entrance.
- The committee agreed to get bids for turf control for our common areas.
- The committee agreed to review options regarding replacing the lighting at the main entrance signs.

• **Canals**

Although our canals are designated as “No Wake Zones”, we still seem to have a problem with certain boaters failing to slow down at the entrances. The TRIU advisory committee will explore options for correcting this ongoing problem.

Adjourn the Meeting

- With no further business, the meeting was adjourned 6:00pm.
- The next meeting will be held 5:30p.m. Thursday November 10, 2011 at the Cypress Lake United Methodist Church.
